

SUPPLIER DIVERSITY POLICY

Technoprobe is committed to promote the inclusion of Diverse Suppliers and Sub-suppliers in its supply chain.

Our vision is to institutionalize Supplier Diversity in all contracting and procurement initiatives to promote, increase and improve the participation of companies owned and operated by women, persons with disabilities, persons belonging to Minorities, US veterans and LGBT people.

Technoprobe believes that inclusive procurement practices create long-term value for our clients and our communities, while helping us remain agile, disruptive and ahead of the market.

Our company can create champions of change by choosing the right supplier: with inclusive supply and value chains, entire communities become more empowered, more sustainable, and more innovative.

We have the opportunity to leverage our purchasing power to drive positive change on global scale and to create a more inclusive world.
